# Turning hope into **action**

**The Humanitarian Xchange** brings together new faces, intergenerational conversations, unexpected partnerships, and long-term engagement between traditional and new humanitarians to take action.

Explore our packed agenda and join our diverse panel of speakers to explore five themes:

1. **Exploring the Challenges** – the scale and nature of global crises such as climate change
2. **Leadership** – what type of leadership is needed in today’s humanitarian response?
3. **Collaboration and Partnerships** – successful and replicable examples
4. **Technology and Data** – as an enabler of contextually relevant solutions
5. **Finance** – innovative ways to finance humanitarian work
